

BoBo: Meet the Company

Eitan Merhavy

Gadi Nir

Training is not fun

Boring

Not measurable

Requires professional
guidance

***Balance is the Essence of Movement;
Movement is the Essence of Life...!***

Balance Training

Digital & Interactive

Huber 360 - \$45K

Biodex - \$20K

Analog & Passive

Standard balance training tools -

No gamification, no
measurement.

WE TURN EXERCISE INTO A GUIDED, FUN, AND MEASURABLE EXPERIENCE

Interactive balance board &
wearable sensor

Fun engaging & interactive

Measurable

Virtual trainer

Using existing therapy concepts

A Broad Solution

The motion sensor digitizes **all therapeutic exercises and necessary tools** required for patient recovery.

Balance

Coordination & Stability

Wearable

Strength & Flexibility

Cycling

Endurance & Aerobic
